*"Foot Golf is the best way to stay active and enjoy the outdoors
with family and friends"*

Joel Monk
PGA of Canada Member & FootGolf Enthusiast

HeatherGlen is excited to be the first facility in Alberta to offer the sport of Foot Golf. As the newest part of our operations, FootGolf is the best new way to enjoy the beauty of our golf course and comfort of our facility.

FootGolf is a combination of the popular sports of Golf and Soccer. It is easy to learn and extremely fun to play. Like Golf, Foot Golf is played over 18 holes, and the task is to get the ball into the hole in as few kicks as possible. Each player accumulates strokes as they kick the ball, and after 18 holes, their score is totaled. This sport can be a fun challenge for every level of soccer player and golfer alike.

Our FootGolf Course has 18 holes built within on our current Grove 9 Hole Course. Typically a round of FootGolf can take between 1.5 hours and 2 hours. FootGolf utilizes golf's basic course setup. A typical FootGolf course includes tee boxes, greens, bunkers, hazards and 18 FootGolf holes, which are a 21-inch in diameter cup. These cups are placed on an area of the fairway, to avoid damaging the green surfaces. Scorecards display par scores for each hole as in regular golf and a map of the course layout.

FootGolf is played with groups of up to six players per group, with players walking the course for the exercise and enjoyment of the course. Holes are roughly half the distance of a regular golf hole because the ball doesn't travel as far as a golf ball. During a typical round of FootGolf a participant will walk nearly 3.2 kilometers and kick a soccer ball for approximately 2 hours, this form of activity can burn from 300 to 600 calories depending on their size and fitness level. FootGolf is a wonderful form of exercise and is enjoyable for participants of all ages, ethnicities and sexes.

As this is the second year for FootGolf at HeatherGlen, we are excited about the future of FootGolf and the positive affect it could have on the golf industry.

In order that everyone enjoys their day of golf, HeatherGlen strictly enforces the following policy:

- All groups/golfers must keep up to the group in front of them
- The time to play each hole should not exceed minutes
- Should you fail to meet these requirements you will be warned.

In the event a power cart is damaged by a participant, the "Player" will assume responsibility for the repair of the cart. By signing the Group Booking / Golf League agreement form, the organizers agree to hold HeatherGlen and its employees free of any liability or claims for the use thereof.

The Basic FootGolf Rules

- Wear appropriate clothing – golf cap, collared shirt and argyle socks are preferred.
- Please ensure your kick will not interfere with other players.
- **No Soccer Cleats**, indoor soccer shoes preferred. Runners or other athletic shoes also work.
- Bring your own soccer ball, size 5, as each player will need their own. Rentals are available.
- You are not allowed to push the ball with the top or bottom of your foot. Your foot should be set separate from the ball, clearly behind, before each kick.
- Wait to play until the ball has completely come to rest. (It is not legal to stop the ball from rolling with the wind).
- Play the ball from where it lies.
- You are not allowed to move the ball or remove jammed objects. Exception: You may mark the spot and lift the ball when it may obstruct the other player's kick or ball in any way.
- The player farthest from the hole is the first to kick the ball.
- If the ball lands in a water hazard, retrieve or replace it within 2 steps from the closest land point from where the ball entered the hazard, receiving a one stroke penalty or you can place the ball at the position of the previous kick and receive one stroke penalty.
- Out of bounds markers are annotated with white stakes. Place the ball within 2 steps from where the ball crossed between the white stakes receiving a one stroke penalty.
